

ALSISAR HOTELS

WE ARE READY TO WELCOME YOU BACK!

Considering the norms of social distancing which we all will be following for some time to come, we'd like to highlight why Alsisar Hotels are the perfect choice for your first getaway post lockdown.

ARRIVAL

Our travel desk cars will be thoroughly sanitized internally and externally prior to each guest transfer and will be equipped with sanitizing products for your use.

Chauffeurs will wear face masks, disposable gloves and face shields.

Security Guards shall disinfect guest or visitor's personal car tyres in the parking lot.

Doorman and managers will greet guests with folded hands (Namaste), while maintaining a safe distance, with no physical contact.

Hand sanitizers/disinfectant wipes and disposable masks will be available at the entrance of the lobby.

All guests will undergo temperature checks before entering the hotel. Guests running a temperature of more than 99°F will be met by a hotel official to provide medical assistance and advise further course of action.

Hotel umbrellas will be disinfected after each use.

Car keys will be sanitized when they are left with the doorman and when they are returned to guests.

Face masks will be mandatory and available for anyone who does not have one.

All guides / local agents will undergo temperature checks before entering the hotel.

All baggage will be sanitized on arrival with correctly formulated disinfectant.

Each guest will find in their rooms a Hand Sanitizer & Face Masks for their personal use.

CHECK-IN AND CHECK-OUT EXPERIENCE

Guests arriving from restricted countries or regions will be required to share detailed information, as prescribed by the Ministry of Tourism's protocols, prior to arrival.

All information required for registration will be requested in advance to reduce the time spent upon arrival.

Check-out formalities with e-bills and online payments will be available on request.

Guests are requested to advise check-out plans at least 60 minutes in advance so that the bills can be prepared in time for the check-out.

HOUSE KEEPING

There will be continuous cleaning and sanitization of all touch points in the lobby and other public areas such as counter tops, telephones, door handles, railings and lobby & guest corridor furniture.

Rugs will be cleaned and floors mopped with disinfectant solution every four hours.

Hand sanitizers will be available at all counters, common areas & guest rooms.

Signage will be present in the lobby for maintaining safe distances from staff and other guests.

Deep cleaning of rooms will be done with extra focus on surfaces such as door handles, knobs, remote controls, writing table tops, switches, telephones, refrigerator, WC flush handles, health faucets, vanity counters and floors.

Unused room linen and bath linen will also be sent to the laundry on departure.

Pillows, cushions, sheets, sheet protectors, shower curtains, duvets and all linen will be deep cleaned after each guest departure.

Heavy curtains, sheer curtains, blinds, rugs, upholstered furniture and head board clad with fabric will be deep cleaned after every departure.

In occupied rooms all used glassware will be washed at high temperature above 80°C. All the glassware in the room will also be washed using the same process and only then placed in the room, prior to check-in.

Hand rail, staircase & staircase landing in fire exit areas will be cleaned every day.

RESTAURANT & BAR

Restaurant seating will be reconfigured to ensure safe distances.

Staff will wear disposable gloves, face masks and face shields. These will be changed upon returning from a break.

Entrance doors will be left open during meal periods. If the door needs to be kept shut, assistance will be offered so guests do not have to touch handles.

All tables and chairs will be sanitized before and after every meal period and after every guest use.

Credit card machines will be sanitized before and after every use. Staff will sanitize hands before holding card machines or exchanging any currency.

Sanitizer/disinfectant wipes will be presented to the guest along with all bill folders.

Bartenders will wear and frequently change disposable gloves when working at bar counters.

Alcohol displayed bottles will be cleaned and sanitized on a frequent basis.

Chopping board will be sanitized in a food grade chlorine tank.

Equipment such as coffee machines, ice crusher machines, ice machine doors, induction surfaces, cutlery trolleys, cookie containers, tea selection boxes, etc will be sanitized after every use or on a frequent basis.
